Civil Action No. 6:05cv00001-nkm

Judge Norman K. Moon

CONSENT DECREE

I. BACKGROUND

A. On January 31, 2005, the United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), filed a Complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, ("CERCLA"), 42 U.S.C. § 9607, seeking reimbursement of response costs incurred or to be incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at the Buckingham County Landfill Superfund Site in Dillwyn, Buckingham County, Virginia ("the Site").

B. On April 5, 2005, this Court entered a Consent Decree ("2005 Consent Decree") in this case between the United States, Thomasville Furniture Industries, Inc., Univar U.S.A., Inc., and Buckingham County Board of Supervisors on behalf of Buckingham County, a political subdivision of the Commonwealth of Virginia ("Buckingham County" or "the County"), which resolved the majority of the United States' claims in the Complaint under Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover costs incurred by the United States in performing response actions at the Site. The 2005 Consent Decree did not resolve the United States' claim in the Complaint against Buckingham County under Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover costs incurred by the United States for a discrete drum removal action at the Site beginning in 1999 ("1999 Drum Removal Past Costs"). The current Consent Decree

addresses the United States' reserved claim against Buckingham County for the 1999 Drum Removal Past Costs.

C. Buckingham County does not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the complaint.

D. The United States and Buckingham County agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. §§ 9607 and 9613(b) and also has personal jurisdiction over Buckingham County. Solely for the purposes of this Consent Decree and the underlying complaint, Buckingham County waives all objections and defenses that it might have to jurisdiction of the Court or to venue in this District. Buckingham County shall not challenge the terms of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

III. PARTIES BOUND

2. This Consent Decree is binding upon the United States and upon Buckingham County and its successors and assigns. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. 11. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Buckingham County's failure to comply with the requirements of this Consent Decree.

12. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Buckingham County from payment as required by Section V or from performance of any other requirements of this Consent Decree.

VII. COVENANT NOT TO SUE BY PLAINTIFF

13. Covenant Not to Sue. Except as specifically provided in Section VIII (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Buckingham County pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover the 1999 Drum Removal Past Costs. This covenant not to sue shall take effect upon receipt by EPA of all payments required by Section V, Paragraph 4 (Payment of Past Response Costs to EPA) and any amount due under Section VI (Failure to Comply with Consent Decree). This covenant not to sue is conditioned upon the satisfactory performance by Buckingham County of its obligations under this Consent Decree. This covenant not to sue extends only to Buckingham County and does not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY UNITED STATES

14. The United States reserves, and this Consent Decree is without prejudice to, all rights against Buckingham County with respect to all matters not expressly included within the Covenant Not to Sue by Plaintiff in Paragraph 13. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Buckingham County with respect to:

- a. liability for failure of Buckingham County to meet a requirement of this Consent Decree;
- b. liability for costs incurred or to be incurred by the United States that are not within the definition of the 1999 Drum Removal Past Costs and that were not resolved by the 2005 Consent Decree;
- c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;
- d. criminal liability; and
- e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

IX. COVENANT NOT TO SUE BY BUCKINGHAM COUNTY

15. Buckingham County covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to the 1999 Drum Removal Past Costs or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of the response actions at the Site for which the 1999 Drum Removal Past Costs were incurred, including any claim under the United States Constitution, the Constitution of the Commonwealth of Virginia, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, as amended, 28 U.S.C. § 2412, or at common law; or

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to 1999 Drum Removal Past Costs.

16. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

X. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

17. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

18. The Parties agree, and by entering this Consent Decree this Court finds, that Buckingham County is entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree are the 1999 Drum Removal Past Costs.

19. Buckingham County agrees that, with respect to any suit or claim for contribution brought by it for matters related to this Consent Decree, it will notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Buckingham County also agrees that, with respect to any suit or claim for contribution brought against it for matters related to this Consent Decree, it will notify EPA and DOJ in writing within 10 days of service of the complaint or claim upon it. In addition, Buckingham County shall notify EPA and DOJ within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

20. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Buckingham County shall not assert, and may not maintain, any defense or claim based upon statutes of limitation, laches, or principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case or have not been

brought in a timely fashion; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VII.

XI. SITE ACCESS

21. If the Site, or any other property where access is needed to implement response activities at the Site, is owned or controlled by Buckingham County, then Buckingham County shall, commencing on the date of lodging of this Consent Decree, provide the United States and its representatives, including EPA and contractors, with access at all reasonable times to the Site, or to such other property, for the purpose of conducting any response activity related to the Site, including, but not limited to, the following activities:

- b. Verifying any data or information submitted to the United States;
- c. Conducting investigations relating to contamination at or near the Site;
- d. Obtaining samples;
- e. Assessing the need for, planning, or implementing response actions at or near the Site;

XII. ACCESS TO INFORMATION

23. Buckingham County shall provide to EPA, upon request, copies of all records, reports, or information (hereinafter referred to as "records") within their possession or control or that of their contractors or agents relating to activities at the Site, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information related to the Site.

24. Confidential Business Information and Privileged Documents.

a. Buckingham County may assert business confidentiality claims covering part or all of the records submitted to Plaintiff under this Consent Decree to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. § 2.203(b). Records determined to be confidential by EPA will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies records when they are submitted to EPA, or if EPA has notified Buckingham County that the records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such records without further notice to Buckingham County.

b. Buckingham County may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Buckingham County asserts such a privilege in lieu of providing records, it shall provide Plaintiff with the following: 1) the title of the record; 2) the date of the record; 3) the name, title, affiliation (e.g., company or firm), and address of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. If a claim of privilege applies only to a portion of a record, the record shall be provided to Plaintiff in redacted form to mask the privileged information only. Buckingham County shall retain all records that it claims to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Buckingham County's favor. However, no records created or generated pursuant to the requirements of this or any other settlement with the EPA pertaining to the Site shall be withheld on the grounds that they are privileged.

25. No claim of confidentiality shall be made with respect to any data, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, or engineering data, or any other documents or information evidencing conditions at or around the Site.

XIII. RETENTION OF RECORDS

26. Until 10 years after the entry of this Consent Decree, Buckingham County shall preserve and retain all records now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

27. After the conclusion of the 10-year document retention period in the preceding paragraph, Buckingham County shall notify EPA and DOJ at least 90 days prior to the destruction of any such records, and, upon request by EPA or DOJ, Buckingham County shall deliver any such records to EPA. Buckingham County may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Buckingham County asserts such a privilege, it shall provide Plaintiff with the following: 1) the title of the record; 2) the date of the record; 3) the name, title, affiliation (e.g., company or firm), and address of the author of

the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. If a claim of privilege applies only to a portion of a record, the record shall be provided to Plaintiff in redacted form to mask the privileged information only. Buckingham County shall retain all records that it claims to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Buckingham County's favor. However, no records created or generated pursuant to the requirements of this or any other settlement with the EPA pertaining to the Site shall be withheld on the grounds that they are privileged.

28. Buckingham County hereby certifies that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or information relating to its potential liability regarding the Site since notification of potential liability by the United States or the Commonwealth of Virginia or the filing of suit against it regarding the Site and that it has fully complied with any and all EPA requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6972.
